'IDOL' COVERS STIR DOWNLOAD SALES

For the second time this month, a song covered by an "American Idol" finalist generates enough interest to impact Hot Digital Songs.

Re-entering the list at No. 45 is Queen's "Bohemian Rhapsody," performed on the April 12 "Idol" by Constantine Maroulis (left). The Queen song posts 8,500 sales, its high sum to date. Three weeks ago, Carrie Underwood's rendition of "Alone" propelled Heart's original to No. 51.

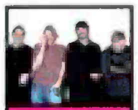
Carey's 23rd top 10 and first as a lead artist since 2001's "Loverboy."

Track makes it to No. 1 on Adult Top 40, a familiar position for Thomas, who has topped that chart a record four times with Matchbox Twenty.

Debut position surpasses band's previous No. 22 peak with "The Space Between" in 2001. Track enters Hot Digital Songs at No. 3 with 31,000 paid downloads.



Foo Fighters' "Best of You" debuts at No. 51 on the Hot 100 and climbs 12-6 on Modern Rock. It's their 11th top 10 and lead singer Dave Grohl's 18th, counting the seven he notched as drummer for Nirvana.

BETWEEN THE BULLETS

CIARA KEEPS '1, 2' PACE WITH 'OH'

"Oh" by Ciara Featuring Ludacris moves 3-1 on the Hot 100 Airplay chart, her second topper on that list and her third straight top two track. "Goodies" spent seven weeks at No. 1 starting in September 2004, followed by a No. 2 peak for "1, 2 Step" in January.

Ciara is the first artist to start a career with three straight top two songs on the Hot 100 Airplay chart since the radio panel was expanded in December 1998 to include all formats. —*Silvio Pietroluongo*

Group's first top 10 since 2003's "Where Is the Love." With 37,500 paid downloads, "Heart" moves to No. 2 on Hot Digital Songs.

Song joins "Since U Been Gone" in top three of Pop 100 Airplay chart. Clarkson is the first female to simultaneously place two songs in that region of the chart.

Marriage to Renée Zellweger spurs 235% digital sales gain for his 1999 No. 1 country hit, "You Had Me From Hello." Title phrase was made famous by Zellweger in the 1996 film "Jerry Maguire."

Nelly appears in upcoming picture "The Longest Yard" and lands the top debut (No. 55) with the lead song from the soundtrack. It also enters Hot Digital Songs at No. 21 with 15,000 sold.

BETWEEN THE BULLETS

CAREY 'BELONGS' ATOP RADIO LIST

"We Belong Together" by Mariah Carey wins the top spot on Hot 100 Airplay with a massive 26.7 million jump to 132 million listener impressions. The track's move is so forceful it leapfrogs Ciara's "Oh" despite the latter's substantial gain of 8 million impressions.

"Belong" is Carey's first No. 1 on the airplay chart since her 1995 collaboration with Boyz II Men on "One Sweet Day."

Song's top airplay gain of 11.5 million listener impressions gives Carey a total audience of 168.8 million, the largest ever for a female artist.

Band earns its first Hot 100 top 10 in track's 18th chart week. It's the longest run to the top 10 since May 2004.

Rapper Fat Joe's "Get It Poppin'," at No. 51, takes the chart's biggest jump. It is his best solo showing since "What's Luv?" hit No. 2 in 2002.

Reggae songstress makes her chart debut, getting strong airplay at various formats in major markets like New York, Boston and Philadelphia.

BETWEEN THE BULLETS

CLARKSON CLICKS AGAIN

New "American Idol" winner Carrie Underwood faces a long road to match the success of inaugural champ Kelly Clarkson. The latter's "Behind These Hazel Eyes," her fifth top 10 on The Billboard Hot 100 (8-6), wins the Greatest Gainer/Digital trophy with an increase of 4,700 downloads. Underwood takes her first crack at the upper region of the Hot 100 with the June 14 retail release of her single "Inside Your Heaven."

iTUNES REVIVES McGRAW'S 'DYING'

After a long negotiation, the sudden availability of Curb Records' catalog at the iTunes Music Store spurs the return of Tim McGraw's "Live Like You Were Dying" on The Billboard Hot 100.

A No. 12 debut for "Dying" on Hot Digital Songs (17,000 sold) sparks a return at No. 29 on the Hot 100, besting the song's No. 30 peak in the Aug. 14, 2004, issue when all of its points came from country radio. The track's prior one-week sales peak was 2,400. On the Pop 100, "Dying" re-enters at No. 36, leaping over its prior high point of No. 64. —*Silvio Pietroluongo*

Carey's song is the first to surpass 200 million audience impressions (202 million).

The same week they debut in the top 10 of The Billboard 200, Fat Joe and Foo Fighters snag the top gainers on Hot Digital Songs. The Foos take the largest leap, 82%, while the Bronx, N.Y., rapper improves by 49%.

Rob's 14-10 jump on Rhythmic Airplay makes Upstairs Records the only indie label besides TVT to hit that chart's top 10 during this decade.

This Chicago-based band's first Hot 100 appearance comes seven weeks after it debuted at No. 9 on The Billboard 200 with its first major-label release. The album, which climbs 42-40, has sold just north of 200,000 units.

NEW 'IDOL' TOPS THREE CHARTS

Carrie Underwood debuts at No. 1 on The Billboard Hot 100 and the Pop 100 as "Inside Your Heaven" takes the top slot on Hot Singles Sales (130,000 units) and the No. 4 slot on Hot Digital Songs with 40,000 paid downloads.

Underwood joins Kelly Clarkson, Clay Aiken and Fantasia as an "American Idol" finalist who has topped the Hot 100 with the song performed during his or her season finale. Underwood has the lowest-scanning retail start of any "Idol" winner, but with digital sales added, her total of 170,000 outpaces Fantasia's 2004 opener of 142,000 retail singles for "I Believe." —*Silvio Pietroluongo*

The singing troupe scores the biggest gain on Hot Digital Songs (13-4; up 48%), its first Hot 100 top 10 and Rhymes' sixth.

It's up 44% in digital sales (22,000); video is top 10 at MTV, BET and MTV2. Elliott plays "Good Morning America" July 8.

Roxette cover (up 4.4 million in audience) is label's highest-charting single since 2002; D.H.T.'s album is due July 19.

His 44th Hot 100 single is the most for any solo male in the past 20 years. Track is already top 10 at WBBM Chicago.

BETWEEN THE BULLETS

BICE FIRST MALE TO TOP POP 100

"American Idol" runner-up Bo Bice debuts at No. 1 on the Pop 100 and on Hot Singles Sales (102,000 units).

Even counting 13,000 paid downloads (No. 25 on Hot Digital Songs) for Bice's "Inside Your Heaven," those handsome sales cannot counter Mariah Carey's overwhelming radio lead (212 million in audience versus Bice's 167,000), which leaves him at No. 2 on The Billboard Hot 100.

Bice is the first solo male in the Pop 100's six-month history to reach No. 1. —*Keith Caulfield*

With no "American Idol" debut to block her path, Carey ascends to the top of The Billboard Pop 100.

Rapper's album could bow in the top three of The Billboard 200 next issue with first-week sales of 150,000-plus.

Song holds at No. 1 on the Modern Rock chart. It's the band's third to top that list, a streak set by the leadoff track from each of its last three albums.

Track tops the Adult Top 40 chart for a 10th week, the most by a male solo artist, including his work with Matchbox Twenty and on Santana's "Smooth." Thomas has six of the 23 No. 1s to reach double-digit weeks.

At No. 34, Backstreet Boys tie Faith Hill for the most top 10s on the AC chart by any act this decade with their sixth (10-8).

FILLING BIG 'BOOTS'

Jessica Simpson scores her highest Billboard Hot 100 debut, as her remake of Nancy Sinatra's "These Boots Are Made for Walkin' " enters at No. 33.

With "Boots" still building at radio, this lofty debut mainly stems from first-week digital sales (No. 8 on Hot Digital Songs, 26,500 sold).

From the forthcoming "Dukes of Hazzard" movie, Simpson's Daisy Duke portrayal (and wardrobe) in the track's video has propelled it to No. 1 on AOL Music's and Yahoo's Video Streams lists.

Cover tune moves 8-1 in second week on Hot Digital Songs with 43,000 downloads.

Band earns second No. 1 on Adult Top 40. Previous chart-topper was its debut, "Hanging by a Moment," in 2001.

Gwen Stefani's "Cool," at No. 64, makes the chart's biggest jump. It is also the top debut on Hot 100 Airplay at No. 62 with a 33% audience gain.

Album release on digital sites spurs chart rebound for the five-chapter opus. The final episode is the best-selling of the individual tracks.

LIVE 8 PUTS McCARTNEY ON CHARTS

Paul McCartney hits The Billboard Hot 100 for the second time this decade as his Live 8 performance with U2 of "Sgt. Pepper's Lonely Hearts Club Band" takes Hot Shot Debut honors at No. 48.

McCartney immediately bests the No. 71 peak for "Pepper" that the Beatles achieved in 1978, 11 years after the band's album of the same name arrived.

With 22,000 in digital sales, "Pepper" enters Hot Digital Songs at No. 12 and the Pop 100 at No. 36. Another song McCartney performed, "Long and Winding Road," enters the digital chart at No. 64 and the Pop 100 at No. 68.

Moving 6-1 on Hot Digital Songs (up 4,500 units) and 9-4 on Hot 100 Airplay (up 11 million impressions) helps track earn double Gainer awards and its fourth airplay gainer triumph in the last six weeks.

Band hits a career high at Adult Top 40 with 4-3 climb, besting the No. 4 peak of "Clocks."

Song reaches its highest rank since its second week on the chart. The act's album does the same on The Billboard 200 with an 18-14 jump, which is accompanied by Greatest Gainer honors.

DIGITAL SALES REVIVE RELIENT K

Quintet Relient K debuts on The Billboard Hot 100 at No. 88 with "Be My Escape."

The track, which has received some airplay at various top 40 and Christian radio stations since October, posts the highest percentage gain (56%) and second-best unit gain (up 4,000 downloads) on Hot Digital Songs, rising 65-31 on that list.

An appearance on "The Tonight Show With Jay Leno" (July 11) and the song's recent ranking among the top 10 on MTV's "TRL" help spur the track's sales, prompting Capitol to re-service the song to top 40 radio outlets. —*Silvio Pietroluongo*

Chicago quartet Fall Out Boy jumps 55-31, aided by a 17-8 move on Hot Digital Songs. Its video is the third-most-played at MTV and a nominee in the MTV2 category of the Video Music Awards.

All-American Rejects make a second Hot 100 appearance, at No. 87. The song is in the top 10 at video network Fuse and climbs 57-38 on Hot Digital Songs. Their previous Hot 100 hit re-enters the digital chart at No. 75.

Universal Music Group recently picked up an album on the Tuff Gong label by the son of legend Bob Marley.

A newly released remix featuring Jay-Z spurs "Diamonds" 54-18 on Hot Digital Songs with a 138% sales increase.

DOLLED UP TO LEAD HOT 100

"Don't Cha" by the Pussycat Dolls Featuring Busta Rhymes moves to the top of the Pop 100, ending the three-week run of Mariah Carey's "We Belong Together."

"Don't Cha" moves 5-2 on Hot Digital Songs and sits at No. 5 on the Pop 100 Airplay chart. It ascends to No. 1 on the Pop 100 because it is the only song in the top five available as a CD single. Without its 15,500 retail sales, "Don't Cha" would have been No. 5 on the Pop 100.

The Pussycat Dolls also move 4-3 on The Billboard Hot 100, a new peak, and climb to No. 1 on Hot Dance Airplay. —*Silvio Pietroluongo*

Island Def Jam Music Group holds the top two spots for a third straight week, the longest such stretch in the label's history.

Robbins Entertainment has its first top 10 since DJ Sammy's "Heaven" in 2002.

British artist jumps into the top 10 of Hot Digital Songs (15-9) with 15% sales spike. Expect U.S. debut to enter the top 40 of The Billboard 200 next issue.

No. 1 track on radio-based Hot Country Songs is also top-selling country title on Hot Digital Songs (No. 39, 9,000 sold).

Mariah Carey's latest at No. 19 (up 16 million impressions) is pacing better than her current No. 1, which was only No. 30 in its third chart week.

A LONG JOURNEY FOR LIFEHOUSE

In its 26th week on The Billboard Hot 100, "You and Me" by Lifehouse finally makes its way to the top 10 (13-8). That is the longest climb to the top 10 since Sean Paul's "Gimme the Light" ended a 29-week jaunt in November 2002.

"You and Me" started strongly on the Hot 100, jumping 92-28 with a digital sales spike in its second week (Feb. 19 issue) before dropping off the list for a week in March. With a steady increase in radio airplay since then, digital sales rebounded; the track posts single-week highs by both measures this issue (52.9 million listeners and 29,000 sales).

At No. 55, the album version of 50 Cent's track enters Pop 100 (No. 93) mostly from digital sales (4,500). The remix, which is radio's preference, has yet to hit digital stores.

Boston quintet flies 18-4 on Hot Digital Songs as sales almost double to 31,500 downloads. Group's debut album, "Greetings From Imrie House," hits retail Aug. 16.

Track is a combination of the world's most downloaded ringtone and Harold Faltermeyer's 1985 top five hit of the same name. Song has topped the charts in a multitude of countries and is still No. 1 on this week's Eurochart.

TV PAVES JOURNEY'S CHART TREK

Following a surprising No. 36 debut on Hot Digital Songs, Journey's top 10 Billboard Hot 100 hit from 1981, "Don't Stop Believing," moves to No. 17 with sales of 20,500 downloads (up 127%).

The song's resurgence is sparked by its inclusion in the season premiere of MTV's "Laguna Beach." The track was also featured in a recent airing of Fox's animated "Family Guy."

Journey's "Greatest Hits" also benefits: It grows 21% (10,000 units) and moves 9-4 on Top Pop Catalog. That is the album's biggest sales week since February and its highest chart position since it hit No. 3 in May 2001. —*Silvio Pietroluongo*

Elliott's tune dropped 72% in digital sales as her "Cookbook" songs vanish from iTunes (see Inside Track, page 80).

New set headed for top of Country list next week (and may top big chart) with his best sales week yet.

As single rises, his album posts second straight gain (up 4%, No. 90 on The Billboard 200).

At No. 49, Green Day leaps 149% on Hot Digital Songs (12,000). Clip hit major video outlets during tracking week.

BETWEEN THE BULLETS

CAREY KEEPS SHAKING THE CHARTS

For the first time since 1996, Mariah Carey has two titles inside the top 10 of The Billboard Hot 100 concurrently. "We Belong Together" holds at No. 1 for a 12th week, while new single "Shake It Off" vaults 12-6 as the week's Greatest Gainer for airplay.

In the April 6, 1996, issue, Carey's "Always Be My Baby" was the Hot Shot Debut at No. 2, while former No. 1 "One Sweet Day" slipped 7-9. If "Shake It Off" makes it to No. 1, it will be her 17th chart-topper.

"Shake It Off" recently became Carey's 17th top 10 on the Rhythmic Top 40 airplay chart, the most for any female artist. —*Patrick McGowan*

Stefani's track at No. 13 jumps 15-8 on Adult Top 40, becoming her first solo top 10 at that format.

One of two bulleted Peas songs on this list. Group also has three tracks climbing the Pop 100.

West Virginia native's best Hot 100 showing. Its download sales of 14,500 (No. 25 on Hot Digital Songs) have been bested by only one other country song: Tim McGraw's "Live Like You Were Dying."

Track also takes top debut honors on Hot Digital Songs at No. 6 with 28,500 downloads. It's the first Duff song to top 5,000 in one week.

Thomas, at No. 54, becomes first solo artist to simultaneously place two songs in the top five at Adult Top 40, as track moves 6-4 on that list.

DIGITAL SALES CLICK FOR CLICK FIVE

The Click Five moves 4-1 on Hot Digital Songs with "Just the Girl" as sales jump 41% with 43,000 downloads. The spike comes in the same week that the act's debut enters The Billboard 200 at No. 15.

"Girl" soars 21-11 on The Billboard Hot 100 with 88% of its points coming from digital sales. Almost all of its airplay is from mainstream top 40 radio outlets. On the Pop 100, which uses mainstream top 40 airplay as its sole radio source, the Click Five jumps 16-8.

Elliott's album returns to iTunes after a technical glitch, boosting the song 155% in digital sales and matching its prior Hot 100 peak.

At No. 61, Kelly Clarkson makes the biggest jump in rank, with airplay up 50%. She snagged two MTV Video Music Awards.

The track, a preview of the Scottish band's upcoming album, is the top debut on Hot Digital Songs at No. 38 with 10,000 downloads.

Urban's fourth single from double-platinum "Be Here" set takes Airpower and Greatest Gainer honors on Hot Country Songs at No. 15. He co-wrote the song with Hot 100 vet Richard Marx.

OUTDOING HERSELF?

As "Shake It Off" jumps to No. 2 on The Billboard Hot 100 and grabs the chart's top airplay gain (14.5 million listener impressions), Mariah Carey could end her own 14-week No. 1 run for "We Belong Together." If so, "Belong" would fall two weeks shy of the Hot 100 record: the 16-week reign of Carey's 1996 pairing with Boyz II Men.

"Belong" holds at No. 1 for a 16th week on Hot 100 Airplay, which ties it for second all-time with No Doubt's 1996 hit, "Don't Speak." Goo Goo Dolls' "Iris" holds the chart mark with 18 weeks at the top.

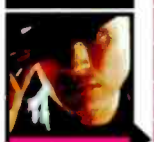
Songstress is first female artist to replace herself at No. 1 on Hot 100 Airplay chart as track posts 145.5 million listener impressions.

One of three bulleted titles by the band on Hot Digital Songs.

Performance of track by Latin star at MTV VMAs helps song grab biggest percentage gain (125%) on Hot Digital Songs among non-debuting titles.

MTV VMA exposure pushes track 32-13 on Hot Digital Songs and to a new Hot 100 peak after lingering in the 70s for the past six weeks. Sales of 26,000 downloads more than doubles previous one-week best.



Singer's remake of Extreme's 1991 Hot 100 No. 1 will be added to next pressing of his gold album "The One."

WEST DIGS UP A NO. 1

Kanye West grabs his first No. 1 as a lead artist on The Billboard Hot 100 as "Gold Digger" makes a gargantuan leap (19-1).

Mariah Carey's "Shake It Off" was the anticipated successor to her own "We Belong Together," but West gold-rushed his way to the top with a record-setting week of digital sales. Thanks to 80,500 downloads, "Gold Digger" debuts at No. 1 on Hot Digital Songs while making the Hot 100's biggest radio gain (20 million impressions, 7-4 on Hot 100 Airplay).

The song's digital sum shatters the prior one-week record of 61,500 for Gwen Stefani's "Hollaback Girl."

Song takes airplay award for second consecutive week and climbs to No. 1 on the Pop 100.

Remix is only new audio track added to special edition of "The Massacre." Its 20,000 first-week sales earn top debut (No. 8) on Hot Digital Songs.

Song holds at No. 1 on Adult Top 40 list for a fifth week by the slimmest margin (two spins) the chart has seen since March 2004. Its No. 1 run is the longest by a female artist since Avril Lavigne's "I'm With You" in spring 2003.

Dallas resident makes his Hot 100 debut with a track that bowed on local stations KHKS and KZZA in the first quarter of the year.

'HUMPS' JUMPS ON SALES BUMP

The Black Eyed Peas' "My Humps" jumps 16-7 on The Billboard Hot 100 with Greatest Gainer/Digital stripes, up 29% in download sales (12-3 on Hot Digital Songs).

"My Humps" surpasses the ranks of official radio track "Don't Lie" on the Hot 100 and Hot Digital Songs, its standing on the former list helped by play outside of top 40 stations. The Hot 100 slide for "Lie" (14-18) is because of a 25% dip in digital sales; airplay keeps improving (up 30-28 on the Hot 100 Airplay chart).

Mississippi rapper earns his first Hot 100 top 10. Album "Certified" should bow in Billboard 200's top 10 next issue with his biggest sales week.

Christian rock band debuts at No. 3 on The Billboard 200 with 131,500 units sold. Only one-third of the airplay comes from Christian stations.

At No. 14, Lifehouse climbs back to No. 1 on Adult Top 40; it is the first track to return to No. 1 on that list since the band's "Hanging by a Moment" was displaced by Train in 2001.

Mayer, joined by Steve Jordan and Pino Palladino, is in the midst of a tour that includes three dates opening for the Rolling Stones. Title debuts at No. 38 on Hot Digital Songs.

SALES SOAR FOR ASHLEE

Ashlee Simpson makes the biggest jump on The Billboard Hot 100 as "Boyfriend" moves 71-24 in its second week on the list. The song takes the Greatest Gainer/Digital award with a 32-9 rise on Hot Digital Songs as sales increase by 142% to 25,500 units.

The video for "Boyfriend" premiered Sept. 12 on MTV's "Making the Band" and Simpson followed that up with an appearance on the network's "TRL" the next day.

The track previews Simpson's sophomore album, "I Am Me," due Oct. 18. —*Silvio Pietroluongo*

Track takes airplay gainer award for fourth straight week. Hits No. 1 on Hot 100 Airplay chart.

Goo Goo Dolls debut at No. 57, the band's best entrance since 1998's "Slide."

Song reaches top 10 on Hot 100 Airplay (15-8) with gain of 8 million listener impressions.

Artist's first Hot 100 hit in four years is the first ever for his new label, Sanctuary.

Singer's 30th Country chart hit, but only his second appearance on this list and first since 1994.

'PHOTOGRAPH' INCREASES EXPOSURE

Nickelback's "Photograph" explodes on The Billboard Hot 100 with a 25-4 jump and makes an even greater leap on Hot Digital Songs by vaulting 36-2.

The song has sold 61,000 downloads, which would normally be more than enough to top the Digital chart. But it trails the juggernaut that is Kanye West's "Gold Digger" by 8,500 units.

On the Hot 100, the band is looking to equal the No. 1 peak of its 2001 smash, "How You Remind Me," which remains the last rock song to top the chart.

CROW TAKES ROOT ON HOT 100

As her album "Wildflower" enters The Billboard 200 at No. 2 with 140,000 units, Sheryl Crow returns to the Hot Digital Songs chart at a lofty No. 30 with "Good Is Good." The song, which spent one week on the list at No. 74 in the Aug. 27 issue, resurfaces with a stellar sales week of 10,000 units.

The Digital take enables "Good Is Good" to make the biggest jump on The Billboard Hot 100 (90-64). Some 80% of the song's 10 million listener impressions comes from airplay at Adult Top 40, good for "Good" to move 9-8. —*Silvio Pietroluongo*

Song tops Adult Top 40, the band's second No. 1 on that chart.

Atlanta group D4L makes the chart's biggest move (70-30). Title is also the top debut on Hot Digital Songs at No. 26 with 11,500 paid downloads.

Usually beer chases tequila, but in this case McCoy's song is out in front—one of four alcohol-related titles on the chart from our country music friends.

Song moves 17-10 on Adult Top 40; band's 10th top 10 ties it with Sheryl Crow and Matchbox Twenty for most top 10s on that chart.

Band's Hot 100 bow is also its first top 20 hit on Hot Country Songs, where it moves 21-19.

Group's first Hot 100 appearance since 2001. Its new album is expected to debut in the top 10 of The Billboard 200 next issue.

BROWN SEES NOTABLE CHART 'RUN'

Teen sensation Chris Brown makes an impressive 8-2 jump on The Billboard Hot 100 as "Run It!" wins Greatest Gainer Airplay and Digital honors (see story, page 59).

The track is up 18.5 million listener impressions and ties 18-4 on Hot Digital Songs with a 65% sales spike (28,000 downloads).

Still, Kanye West's "Gold Digger" holds a commanding lead in its seventh week at No. 1. The gap between "Gold" and "Run" is the largest the chart has seen since the Oct. 4, 1999, issue and matches the point differential between "Run" and Akon's "Belly Dancer" at No. 35.

Track, which tops Hot 100 Airplay with 138 million listener impressions, is poised to make run for Hot 100 peak next issue.

Song hits No. 1 on Pop 100 Airplay, Clarkson's second chart-topper on that list this year.

Former No. 1 AC hit jumps to new Hot 100 peak in its 17th week on the chart.

Band holds at No. 2 on Modern Rock chart and nearly cuts its spin deficit behind front-runner Nine Inch Nails in half.

No. 46 debut of "Tequila" on Hot Digital Songs (8,000 downloads) is a shot to song's Hot 100 rank. Nichols' bows at No. 2 on Country Albums and No. 7 on The Billboard 200 mark his best sales week (56,000).

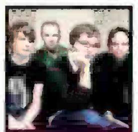
Group's album is the only non-debut in The Billboard 200 top 10 to post a sales increase (up 8.5%).

One of three male artists (with Chris Brown and Young Jeezy) enjoying his first trip into the chart's top 10.

Of the three new tracks on Destiny's Child's "#1's," this is the only one credited to just Beyoncé.



Song tops Billboard Radio Monitor's Triple-A airplay chart. First debut single by a band to top that list since Nickel Creek in August 2003.

"American Idol" champ at No. 48 also claims the top debut at No. 23 on Hot Digital Songs. Country stations account for 97% of airplay as another track, "Some Hearts," is serviced to pop radio.

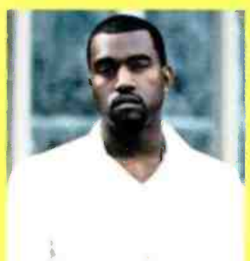
DIGITAL LEAD KEEPS WEST ON TOP

Kanye West's "Gold Digger" fends off Chris Brown's "Run It!" yet again to mine its 10th week atop The Billboard Hot 100.

West's advantage on Hot Digital Songs (49,500 downloads to 32,500) is enough to offset Brown's 21 million listener lead on Hot 100 Airplay.



West is the third artist, after 50 Cent and Eminem, with two tracks in the Hot Digital Songs top five. "Jesus Walks," which peaked at No. 11 on the Hot 100 in July 2004, moves 11-4. It is featured in the "Jarhead" movie and trailer.

BROWN BAGS NO. 1 ON HOT 100

Chris Brown makes his maiden voyage on The Billboard Hot 100 an unqualified success as "Run It!" rises to No. 1, dislodging Kanye West's "Gold Digger" after a 10-week run at the top. Brown is the first male artist to take his first *Billboard* charting title to the top of the Hot 100 since Montell Jordan did it with "This Is How We Do It" in April 1995. "Run" ups its weekly audience impressions to 155.7 million, the largest Hot 100 total ever for a new male artist. Only Ciara's "Goodies," with 157.7 million in the Oct. 16, 2004, issue, had a higher debut.

NEW YEAR, NEW CHART RULES

As we start the 2006 chart year, we have tweaked the recurrent rules and adjusted our tiebreaker methodology for most of our radio-only charts.

Effective this issue, songs that fall below the top 15 of the Adult Top 40, Adult Contemporary, Dance Airplay and Adult R&B charts (and the top 20 of Modern Rock) become recurrents and are removed after 20 weeks. Exceptions will be made for any titles past 20 weeks that have shown recent and continued upward chart movement.

Songs that have been on the chart for more than 52 weeks and rank below No. 10 will also become recurrents and will be removed from the chart.

The victor in future ties will be determined by best detection differential from the prior chart week. —*Silvio Pietroluongo*

The most popular songs & tracks, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. LOCKE RIDES HIGH IN AC'S YULE TIDE

As an abundance of AC stations switch to all-holiday mode, only three songs inside the format's top 20 receive bullets, and two of those are holiday titles.

Kimberley Locke's "Up on the House Top" is the top gainer, leaping 31-5. The 26-spot jump is the largest move into the top five in the chart's history.

Three other new seasonal recordings debut: MercyMe's "Silent Night" (No. 19), Brian Wilson's "Silver Bells" (No. 22) and Carly Simon's "Let It Snow" (No. 24).

CAREY FEELS AT HOME IN TOP 10

Mariah Carey grabs the 25th Billboard Hot 100 top 10 of her career as "Don't Forget About Us" takes Greatest Gainer/Airplay, leaping 12-7.

It is the first track to hit the top 10 here without digital sales since that data became part of the chart in February. Its No. 2 status on Hot 100 Airplay and 123 million listener impressions provide enough buoyancy to ensure its Hot 100 success.

Carey does claim a top 10 listing on Hot Digital Songs as her 1994 Christmas release, "All I Want for Christmas Is You," climbs 15-4 with 34,500 downloads sold. —*Silvio Pietroluongo*

The most popular songs & tracks, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Dec. 13 release of digital track should lift Carey to the top of next week's chart.

Song makes strong 15-7 climb on Hot 100 Airplay with a gain of 8.5 million impressions.

Seven weeks at No. 1 on Hot Dance Airplay is most by any song this year; tied for second-longest run in history of that chart.

No. 2 Adult Top 40 song of the year has now spent the most weeks on the Hot 100 in 2005.

While band's former top 10 lingers at No. 37, current Modern Rock top five track debuts for act's first multiple listing on the Hot 100.

'SNL' VISIT STOKES BLUNT'S SALES

James Blunt parlays a Dec. 3 "Saturday Night Live" performance into a sales surge at retail and digital outlets. His "Back to Bedlam" is The Billboard 200's Pacesetter with a 108% sales increase, which pushes the title 76-47. His radio hit, "You're Beautiful," jumps 95% on Hot Digital Songs and rises 16-4. Digital sales push the song 46-22 on The Billboard Hot 100 with Greatest Gainer/Digital honors. "Beautiful" also moves into the top 10 at Adult Top 40 (12-7) as that chart's top gainer.
